

ASHLAND COUNTY, WI

ROAD CLOSURES

(UPDATED 8/1/2016)

STORM EVENT

On July 11th & 12th, Ashland County was hit with a major rainfall event. Rainfall varied across the County, but an area between Ashland and Mellen was particularly hard hit with a rainfall of 11 to 12 inches occurring during the overnight hours. This storm damaged and destroyed highways and roads in a broad swath with the Towns of Morse, Ashland, Marengo, White River and Sanborn and the communities of Odanah, Sanborn, Marengo, Highbridge and Mellen being hit the hardest.

ROAD DAMAGE & CLOSURES

Road closures and road damage is prevalent through the area. The public is being asked by Highway maintaining authorities to travel with extreme caution. Even the roads that are open have been damaged in most cases. Please respect Road Closed signs. There have been a number of accidents in Ashland County due to road conditions and one fatality. Road Closed means **Road Closed!** You are jeopardizing your own safety as well as your passengers by driving around barricades and road closure signs. Even though the flood event occurred several weeks ago many culvert crossings are still out with many open cuts still posing a hazard.

TRUCK ROUTES

There are **NO** heavy truck routes between Ashland and Mellen in the STH 13 Corridor.

DETOUR ROUTES

There are **NO** detour routes between Ashland and Mellen in STH 13 corridor. Persons using Town and County Roads to bypass STH 13 closures are doing so at their own risk. It is hoped that a detour on County Trunk Highway C for cars, light vehicles and local traffic will be opening on or before August 5th.

STATE HIGHWAY CLOSURES

State Hwy 13 from North York Rd to Section 5 Rd is closed and will remain closed for the foreseeable future. No Detour at this time.

State Hwy 13 from Ryefield Rd south to CTH C is closed and will remain closed for the foreseeable future. No Detour at this time.

State Hwy 169 in Ashland & Iron County is closed for the foreseeable future. No Detour at this time.

US HWY 2 IS OPEN TO ALL TRAFFIC

COUNTY TRUNK CLOSURES

CTH C from CTH E to STH 13 in Highbridge is closed.

CTH E is closed from the Village of Sanborn south.

CTH C from Highbridge to Minersville is open but still under construction. There are numerous gravel areas. Travel with care.

CTH GG is now open between Mellen and Clam Lake to traffic. The roadway will have several sections of gravel patches, which the public should show reasonable care driving through.
