RESOLUTION - R04-2015-1188

RESOLUTION OPPOSING THE OPPOSING THE COUNTY-WIDE ASSESSMENT INITIATIVE CONTAINED IN THE PROPOSED STATE BUDGET

WHEREAS, assessments of property values are currently undertaken by the individual municipalities where in the properties are located; and

WHEREAS, contained within the State Budget as proposed by Governor Walker is a change in the law which would impose a system of county assessment; and

WHEREAS, under this proposal property assessments would be handled at the county level; and

WHEREAS, despite an increase in responsibility and duties for the county, including a requirement for annual 100 % assessments, no additional monies are allocated in the proposed State Budget for these services; and

WHEREAS, the proposal instead suggests that these new responsibilities be funded by the county billing the effected municipalities an amount no greater than 95 % of what the municipality paid to conduct its own assessments in 2015; and

WHEREAS, not all municipalities conduct revaluation assessments yearly and therefore may not have included in their 2015 budgets funds sufficient to support this program, nor planned to conduct any revaluation assessments in 2015; and

WHEREAS, such a program could therefore result in a mandated program without a sufficient means for funding it; and

WHEREAS, this proposal will increase the costs of providing assessments placing additional burdens on the county tax levy and taxpayers.

NOW, THEREFORE, BE IT RESOLVED, that the County Board of Supervisors does formally oppose any plan which would impose new requirements upon Ashland County without providing credible and sufficient means for funding it; and

BE IT FURTHER RESOLVED, that the County Clerk is directed to send a copy of this resolution to Governor Walker, the Wisconsin Joint Finance Committee and the Legislators for Ashland County.
